This is a group damage insurance policy taken out by “xxxx xxxx” with MUTUAIDE ASSISTANCE for which enrolment is optional.

Appendix to article A. 112-1

Advice on exercising your right to a waiver as provided for under article L. 112-10 of the Insurance Code.

Please check that you do not already have cover insurance for any of the risks covered by the new contract. If this proves to be the case you are entitled to terminate this contract during the fourteen calendar days from the date it was signed. No charge or penalty is payable if all the following conditions have been met:

- you signed the contract for non-work-related purposes
- the contract came with the purchase of goods or services you have been sold by a supplier
- you can show that you are already covered for one of the risks insured by this new contract
- the contract you wish to cancel has not been fully performed
- you have not notified any claim covered by this contract.

If these conditions are met, you can exercise your right to cancel this contract by letter or in any durable medium sent to the insurer of the new contract, together with documentary proof that you already have cover for one of the risks guaranteed by this new contract. The insurer must reimburse you the premium paid within thirty days of cancellation.

If you wish to cancel your contract but do not meet all the above conditions, please check the cancellation procedure stipulated in your contract.

Consequences of cancellation:

Exercising your right to cancel within the period stated in the above box will result in the contract being cancelled as of the reception date of the letter or any other durable medium. Once you become aware of a loss covered by the contract, you can no longer exercise this right to cancel.

In the event of cancellation, you will only be liable to pay the part of the premium or contribution for the period during which the risk was covered, this period being calculated up until the cancellation date.

- in the event of reluctance, omission, false or inaccurate statement on the risk incurred, from the day that the Insurer became aware of it;
- in the event of a claim, from the day that the concerned parties became aware of it, if they prove that they were unaware of it until then.

When the action of the Insured against the Insurer is due to the recourse of a third party, this time limit only starts from the day that this third party brought legal action against the Insured or was indemnified by this latter party.

This time limit may be interrupted, in accordance with article L 114-2 of the Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the party against whom the time limit was reached (article 2240 of the Civil Code);
- a lawsuit, even in summary proceedings, until the end of the proceedings. The same applies when it is brought before a court that does not have jurisdiction or when the act of referral to the court is annulled by the effect of a procedural defect (articles 2241 and 2242 of the Civil Code). The interruption is void if the petitioner withdraws his request or allows the procedure to expire, or if his request is definitively rejected (article 2243 of the Civil Code);
- a precautionary measure taken in application of the Code of Civil Enforcement Procedures or an act of forced execution (article 2244 of the Civil Code).

It is reminded that:

Notification made to one of the joint debtors regarding legal action or an act of forced execution, or recognition by the debtor of the right of the party against whom the time limit had expired interrupts the time limit against all the others, even against their heirs.

However, notification made to one of the heirs of a joint debtor or the recognition of this heir does not interrupt the time limit with regard to the other joint heirs, even in the event of a mortgage claim, if the obligation is divisible. This notification or recognition only interrupts the time limit with regard to the other co-debtors, for the part owed by this heir.

To interrupt the time limit period for the whole debt, with regard to the other co-debtors, it is necessary to notify all the heirs of the deceased debtor or to recognize of all these heirs (article 2245 of the Civil Code).

Notification made to the principal debtor or his recognition interrupts the time limit against the guarantor (article 2246 of the Civil Code).

The time limit can also be interrupted by:

- the appointment of an adjuster following a claim;
- sending a registered letter with acknowledgment of receipt (sent by the Insurer to the Insured regarding the action for payment of the contribution, and sent by the Insured to the Insurer regarding settlement of the claim).

SETTLEMENT OF DISPUTES

Any dispute arising between the Insurer and the Insured relative to determination and payment of benefits shall be submitted, by one of the parties, in the absence of amicable resolution, to the competent court at the domicile of the Insured, in accordance with the provisions of article R 114-1 of the Insurance Code.

FALSE DECLARATIONS

When they change the subject of the risk or reduce our opinion of it:

- **Any reluctance or intentionally false declaration on your part will void the contract. We will retain any premiums paid and we will be entitled to demand payment of the premiums due, as provided for in article L 113.8 of the Insurance Code.**
- **Any omission or inaccurate declaration on your part for which bad faith is not established results the termination of the contract 10 days after the notification which will be sent to you by registered letter and/or the application of the reduction in indemnities of the Insurance Code, as indicated in article L 113.9.**
